## Wiseman House Chocolates

Chocolatier Kevin Wenzel started Wiseman House Chocolates in Hico, Texas in 1996. At Wiseman House Chocolates, we believe that chocolates are meant to be an experience – to be shared with friends, given as a gift or enjoyed alone in your thoughts. We take time in hand crafting each of our fine chocolates so that our customers will be pleased as they take time to savor every bite. So please, slow down, enjoy your chocolates, and savor life.

## 44 Farms

More than a century after S.W. McClaren and wife, Josie, started ranching on fertile soil near Cameron, Texas, 44 Farms proudly carries on their family values. Five generations later, those values, combined with the best that science and genetics have to offer, have helped 44 Farms grow into one of the premier registered Angus operations in America and producers of ethically raised, all-natural Black Angus beef.

We raise our beef to be worthy of the honor of its place on your family table. And we do so with the unwavering belief that a steak is only as extraordinary as the practices that bring it from pasture to table. We call it the RightWay. And it features our "never ever" commitment – 44 Farms All-Natural Steaks are harvested from cattle that have never received hormones, antibiotics or feed additives of any kind.

**Please use the code NAF2024 for your entire purchase in the promotional code box at check out.** With this code, the Neuro Assistance Foundation will receive a portion of the sales through December 31, 2024.

## We Need Your Help

### *Donate ~ Sponsor ~ Volunteer*

Your \$25 donation will help provide clean catheters to a paralyzed child for one month when their insurance won't cover the expense.

Your \$100 donation will help build a wheelchair ramp so we can get our clients out of rehab and through their front door at home.

Your \$200 donation will help widen the doorways in their homes so their wheelchair can fit through the bathroom door. Insurance doesn't covers home modifications.

Your \$500 donation will help provide life-changing medical equipment: wheelchairs and specialized shower chairs, etc. Most insurance only covers a small part of wheelchairs, if any, and no "bathing aids" are covered.
